K-12 Application Packet

2017-2018 School Year

Apply Online at EnrollNOLA.org

www.EnrollNOLA.org
**Geography**

Geographic priority for most schools is determined by "geographic catchment zones," a way of splitting up the city by neighborhood. The zones we use to determine placements can be seen in the map on the right side of this page. The Geographic Zones were revised in Summer 2016. There are now seven (7) zones. Schools grant priority to applicants living in the zip codes within their zone (see key on the right).

The majority of K-8 schools offer partial geographic priority, which means that applicants residing in the school’s geographic catchment zone will get priority to up to 50% of available seats. Geographic priority does not apply to the other half of available seats, so that other applicants will have the opportunity to attend schools outside of their zone. There are some schools that grant geographic priority for a higher percentage of their seats, or to select zip codes rather than to an entire geographic zone. Look at schools’ priority information, published on pages 12-35, for more information.

Students enrolling in most high schools will not receive geographic priority. This approach maximizes student choice and allows schools to specialize in particular programs and areas. Families should consider these factors when selecting schools and planning for next school year.

To find out which schools are in your zone, contact us: www.EnrollINOLA.org | (877) 343-4773 | oneapp@rsdla.net

**siblings**

EnrollINOLA seeks to keep siblings in school together whenever possible. Here’s how:

**Sibling Priority:** If your child applies to a school their sibling attends and will continue to attend in the upcoming school year, they will receive sibling priority to that school.

**Family Link:** If you submit an application for each child listing the same school selections in the same order, the students will be family-linked, and OneApp will attempt to assign the students to the same school or early childhood program if possible.

Please note that Family Link will only apply to public school applicants. If you include nonpublic schools on your application, Family Link will not apply. Family Link does not give you priority to the schools you list on your application.

We seek to assign your children to the same school, but cannot guarantee that we will be able to do so. School assignments are based on seat availability.

**Special Education**

The Recovery School District does not consider a student’s disability when assigning students to schools. Students with disabilities and English Language Learners may apply and be matched to any participating school that they are eligible to attend.

The Orleans Parish School Board (OPSB) reserves the right to assign a student with disabilities to a school site other than those school choices selected by the parent / legal guardian. The school assignment will take into account parent choice and will be consistent with the parent’s and child’s rights under applicable federal and state law and regulations pertaining to students with disabilities as well as consistent with OPSB’s rights and obligations under those legal mandates.

The Louisiana Department of Education does not consider a student’s disability when assigning students to nonpublic schools. Some nonpublic schools may not offer additional educational services for students with disabilities, but all schools must enroll all students awarded scholarships, regardless of disability. Please reference the school information on pages 33-35 for more information about special education services offered at participating nonpublic schools. **Not all nonpublic schools offer special education services. Please contact the school(s) of your choice before listing them on your child’s application to ensure they are able to meet your child's needs.**
Key Information

What is the Main Round Application Window?

All students applying attend a New Orleans Public School for the first time, or to transfer schools, should apply during the Main Round.

- Do not submit an application if you would like your child to remain at his/her current school. If you submit an application and your child receives a placement, your child will lose their current school placement.
- All Main Round applications will be processed at the same time, including applications to schools with academic entrance requirements. There is no advantage given to students who applied to schools without academic entrance requirements during the Early Window.
- If you would like to apply to a school with academic entrance requirements, you must submit your application by the Early Window Deadline, which is December 16, 2016. These schools will have a “push pin” icon next to their school profile on the school list (pages 12-35).

How do I submit a OneApp?

1. At an EnrollNOLA Family Resource Center
   See below for locations

2. Online
   www.EnrollNOLA.org

How does the process work?

Placements are made based on each parent’s ranked list of school choices, the number of seats offered at each school in each grade level, each school’s priorities, and each student’s random lottery number and priority to their selected schools.

- Applicants are first given a random lottery number. Applicants are then grouped by the priorities of the schools they listed on the application.
- School priority groups can include things like siblings of students continuing at the school, and/or residence within the school’s geographic zone. Applicants in priority groups will be considered first if there are more applicants than available seats.
- Applicants in priority groups are placed first, in order of their lottery number. Then, all other applicants are placed by their lottery number, until all seats are full. There are no waitlists.

There is no situation where an applicant is guaranteed placement at a specific school, even if they are in a priority group.

If you already attend a OneApp school, submit an application, and are assigned to one of the schools you list on your application, you will lose your current school placement. It is therefore very important that families only list choices that they prefer more than their current school. In submitting an application, you consent to give up your current school spot if you are placed at one of your choices.

When will I be notified of my child’s placement?

Results will be available the week of April 10, 2017 at Family Resource Centers and in the online parent application portal. Applicants who apply online will be notified by email once results are available; applicants who submit a paper application will receive a notification letter at the address listed on the application. If your contact information changes between now and April, please contact a Family Resource Center to provide up-to-date information. Please note: to apply online, you will need a working email address. If you need assistance setting up an email account, please visit a Family Resource Center, or see our guidance on EnrollNOLA.org.

What happens after I receive my placement?

Once you receive your Main Round placement results, you must claim your child’s seat by May 12, 2017. If you are not satisfied with your child’s Main Round placement, you may submit a Round 2 OneApp, available in the Spring of 2017. You are strongly encouraged to claim your Main Round placement, even if you intend to submit a Round 2 application. Claiming your Main Round placement will not impact your ability to participate in Round 2.

Louisiana Scholarship Program

An important note about this year’s participating Scholarship schools

The list of participating Scholarship schools on pgs. 33-35 includes schools that have submitted a notice of intent to the Louisiana Department of Education (LDE) to accept new Scholarship students for the 2017-2018 school year. As school performance results become available, the LDE will review the list of Scholarship schools and may determine that some are no longer eligible to accept new students. If you apply to a Scholarship school that is later deemed ineligible, your student will not be placed there.

Additionally, because scholarships are funded through state dollars, there is a possibility that the Legislature will choose to reduce funds to these programs, and if that happens, this would mean that one or more of the schools listed in this application may have fewer seats available to serve new and continuing students.

A final list of participating Scholarship schools will be available by the week of January 16. Families are strongly encouraged to confirm that their preferred schools are accepting new students by checking www.EnrollNOLA.org. If at any time you would like to update your school choices before the application deadline of February 24, 2017, please visit EnrollNOLA.org or a Family Resource Center (page 3). The most recent application submitted will be the only application considered during student placement. You will be unable to make changes to your application after the application deadline.

What is the Louisiana Scholarship Program?

The Louisiana Scholarship Program seeks to give all families the financial resources to send their child to the school of their choice, whether a public or nonpublic institution. 123 nonpublic schools statewide* currently participate in the program. To be eligible for a Scholarship, students must have a family income that does not exceed 250% of the federal poverty line and must be entering kindergarten or currently enrolled in a school with a C, D, F, or T grade. See page 9 to check your eligibility, and fill out pages 9-10 to apply.

*Please note: you may only use this application packet to apply for Scholarship schools located in Orleans Parish. Families interested in attending a Scholarship school outside of Orleans Parish should visit LDE at http://www.louisianabelieves.com/schools/louisiana-scholarship-program.

Should I apply for a Scholarship?

Your child should apply for a scholarship if he or she is interested in attending a participating Scholarship school. See page 9 to check your eligibility, and fill out pages 9-10 to apply. In order to be eligible to receive a Scholarship you must meet the following requirements:

• Your child must be a resident of Louisiana.
• Your child must have attended a C, D, F, or T school on both October 1, 2016, and February 1, 2017 or be attending kindergarten for the first time.
• Your income must be below the figure listed for your household size in Section B, page 9.
• For information on how the Scholarship program considers students with disabilities, see page 2.

My child currently participates in the Scholarship Program. Should I complete an application?

Scholarship students who want to remain at their current school should not submit an application; current students in non-transitional grades will automatically be re-enrolled if they do not apply to transfer. If you submit an application for your child and they are assigned to one of your school choices, including a public school, they will lose their current Scholarship seat.

Scholarship students who are enrolled in a transitional grade (the last grade the school serves) must submit a new application, but do not need to resubmit eligibility documentation. These students will receive priority in the placement process, but are not guaranteed a new Scholarship seat. Students who are interested in transferring to another Scholarship school should also submit a OneApp, and do not need to resubmit eligibility documentation. Please note, if your child is assigned to one of your school choices, including a public school, they will lose their current Scholarship seat.

How do I verify my income and residency?

In order to be eligible to receive a Scholarship, families must submit proof of income and residency to a Family Resource Center or participating Scholarship school listed on their application.

The following documents are accepted for INCOME verification:

- 2016 Federal Tax Return, total income
- Alimony as shown in court decree or agreement
- Most recent pension statements
- SNAP Benefits
- Most recent unemployment compensation statement
- Most recent W-2s from all employers
- Most recent Social Security benefits statement
- Louisiana Purchase Card Budget Sheet or Benefits Statement

The following documents are accepted for RESIDENCY verification:

- Rental lease agreement or mortgage
- Telephone Bill
- Sewerage/Water Bill
- Homestead Exemption Notice
- Electricity/Gas Bill
- Cable/Internet Service Bill
- Current Official Letter from a Government Agency (DSS, DHH)
- Property Tax Notice
The Louisiana Department of Education is committed to providing all Louisiana families access to high quality school choices. School performance and accountability measures are an important part of ensuring schools are meeting this commitment to their students.

How is school performance assessed?

Each year, the Louisiana Department of Education issues School Performance Scores (SPS) and Letter Grades for public schools. These grades are based on student results on State tests, student performance on the national tests such as ACT and AP, and student graduation rates. Schools that are newly opened, experiencing a change in operator, or serve a unique student population, may not receive performance scores or letter grades.

What is charter extension and renewal?

In New Orleans, the majority of our schools are charter schools. Charter schools are public schools that are governed by independent non-profit school boards. These schools have a contract to operate a school for a period of time ranging from 3 to 10 years. Once a charter school’s contract expires, either the Board of Elementary and Secondary Education (BESE) or the Orleans Parish School Board (OPSB) determines whether to renew the schools’ contract. The charter renewal process ensures that only the highest public performing schools remain in operation in New Orleans.

BESE and OPSB consider a set of established criteria when making extension and renewal decisions. In order to be eligible for their first extension and renewal, charter schools must receive a letter grade of at least a ‘D;’ for subsequent renewals, charter schools must receive a letter grade of at least a ‘C.’ If a school fails to meet these criteria, their charter agreement may not be renewed or extended, and the school may be taken over by a new operator, or may not reopen the following school year.

What does this mean for my family?

School Performance Scores and Letter Grades* are two of several factors to take into account when selecting a school for your child. If you are interested in seeing which schools are up for renewal this year, look for that information in the schools’ list, pages 12-35. To learn more about what your school is doing to prepare for their renewal timeline, talk to your school’s leadership, or attend your school’s next board meeting.

For more information on charter extension and renewal, how student performance is measured, and how and why these decisions are made, please visit the Louisiana Department of Education at www.louisianabelieves.com or OPSB at www.opsb.us.

How do I read School Performance Scores and Letter Grades?

Use the tables below to determine how School Performance Scores (SPS) translate to Letter Grades. The highest possible letter grade is an “A.” The lowest possible letter grade is an “F.” Schools that have recently been taken over by a new operator will receive a letter grade of “T” for two years, while the school transitions under new leadership.

Do not submit an application if you would like your child to return to his / her current school. If you submit a OneApp and are assigned to a choice, you will lose your guarantee to return to your current school assignment.

If you are filling out an application for siblings, fill out one application form per child. If you are applying for more than one student to attend a new school together, make sure you list your school selections in the same order of preference.

We will only process the most recent application submitted. If your school preferences change and you submit another application, it will overwrite any previous application.

B. SCHOOL CHOICES

Do not submit a OneApp if you would like your child to return to his / her current school. If you submit a OneApp and your child is assigned to one of your choices, your child will not be in his current school. If you are applying to transfer, only apply to schools you would prefer to attend more than your current school. Your child can be assigned to any school you list on your application.

If you are filling out an application for siblings, please read the sibling information on page 8 carefully. Fill out one application form per child. If you are applying for more than one student to attend a new school together, make sure you list your school selections in the same order of preference.

The most recent application submitted will be the only application considered for student placement. If your school preferences change and you submit another application, it will overwrite your previous applications.

1. Fill in the codes and names of the schools on pages 12-35 you would like your child to attend, ranked in order of your preference (#1 is highest).
2. Only list schools you are interested in having your child attend. Your child may be assigned to any of the schools listed.
3. Placement results will be available the week of April 10, 2017. If your contact information changes, please contact a Family Resource Center.

Call (877) 343-4773 or visit EnrollNOLA.org for more information.

By signing this form, you indicate that all information provided is accurate to the best of your knowledge. You consent to having personally-identifiable information contained on this application form about your family disclosed to schools as part of the application process, and to other entities in order to determine application priorities and eligibility as included in the application materials. You understand that EnrollNOLA may contact you about matters related to your child’s application.

You assert that you are the legal guardian of the child on this application and have the legal right to submit an application on the child’s behalf. If your school preferences change, you may submit a new application prior to the deadline, February 24, 2017. The final application received will be the only application considered for student placement. Final enrollment will require verification of address and date of birth. Maintain a copy of this application for your records.

APPLY NOW AT EnrollNOLA.org

Browse school options and find the schools that are the best fit for your family

Submit an application for each child entering or changing schools

www.EnrollNOLA.org
Fill out the information below for all of the school-aged children in your family whom you would like to be considered for Sibling Priority or Family Link.

Please note that a separate application still must be submitted for each student.

Sibling Priority:
If your child applies to a school or early childhood program their sibling currently attends, they may receive sibling priority to that school.

Family Link:
If you submit an application for each child listing the same school selections in the same order, the students will be family-linked, and OneApp will attempt to assign the students to the same school or early childhood program if possible.

Please note that Family Link will only apply to students applying to public schools. If you include nonpublic schools on your application, Family Link will not apply. Family Link does not give you priority to the schools you list on your application.

We will seek to assign your children to the same school, but we cannot guarantee that we will be able to do so. School assignments are based on seat availability.

LDOE Student Scholarship Application

Fill Out One Form for Each Child Applying for a Scholarship

C. ADDITIONAL STUDENT INFORMATION

Does your child participate in the Nonpublic School Early Childhood Development Program for PK4? □ Yes □ No
If yes, school name:

Student Ethnicity (for reporting uses only): Is your child of Hispanic origin? □ Yes □ No

Student Race (for reporting uses only): please choose one that apply
□ White □ Black □ Pacific Islander □ Hispanic □ Asian □ American Indian

Is your child a resident of Louisiana? □ Yes □ No

D. HOUSEHOLD INFORMATION

Annual household income*:

*Please report a figure greater than $0 and remember to incorporate State and Federal benefits.

E. INCOME VERIFICATION

If you participate in any of the programs below, please check the box next to the program. You must bring verification to a Family Resource Center or participating Scholarship school prior to February 24, 2017. The following documents are acceptable:

- LA Purchase Card & Benefits Statement
- Social Security Benefits
- SNAP Benefits Statement
- 2016 Federal Tax Return, total income
- Alimony as shown in court decree or agreement
- Most recent pension statements
- Most recent unemployment compensation statement
- Most recent W-2s from all employers
- Most recent Social Security benefits statement
- SNAP Benefits
- Louisiana Purchase Card Budget Sheet or Benefits Statement

If you do not participate in these programs (see below), please bring proof of income for every income-earning member of your household to a Family Resource Center or participating Scholarship school prior to February 24, 2017. The following documents are acceptable:

- 2016 Federal Tax Return, total income
- Alimony as shown in court decree or agreement
- Most recent pension statements
- Most recent Social Security benefits statement
- SNAP Benefits
- Louisiana Purchase Card Budget Sheet or Benefits Statement

F. RESIDENCY VERIFICATION

Please bring your proof of residency to a Family Resource Center or participating Scholarship school listed on your application prior to February 24, 2017. The address of residency should be where the child lives and should match the student address listed in Section A. The proof can be dated for any time after October 1, 2016. This proof can consist of any of the following:

- Rental lease agreement/mortgage agreement
- Electricity/Gas Bill
- Telephone Bill
- Sewerage/water bill
- Homestead Exemption Notice
- Property Tax notice

If you are unsure of what documentation you can use to prove your income, residency or have any questions, please feel free to call the Louisiana Department of Education at (877) 453-2721.

G. PARENT/GUARDIAN SIGNATURE

By submitting the application to the Louisiana Scholarship Program, you are granting permission for the Louisiana Department of Education to utilize, and to disclose to third parties, any information provided by you in this application to verify eligibility for the program and if a Scholarship is awarded, to continue to utilize, and to disclose to third parties, this information as it relates to the award granted. You indicate that all information provided is accurate to the best of your knowledge. If your school preferences change, you may submit a new application prior to the deadline (February 24, 2017). The final application received will be the only application considered for student placement. Final enrollment will require verification of age, date of birth, and eligibility. You assert that you are the legal guardian of the child on this application and have the legal right to submit an application on the child’s behalf. Maintain a copy of this application for your records.

How to Read K-8 School Profile Pages

A complete list of participating schools is provided on pages 12-35 of this packet.

- PLEASE NOTE THAT YOU CAN ONLY RANK SCHOOLS ON THE APPLICATION FORM THAT APPEAR ON THESE PAGES. PLEASE NOTE THAT YOU CAN ONLY RANK SCHOOLS ON THE APPLICATION FORM THAT APPEAR ON THESE PAGES. PLEASE NOTE THAT YOU CAN ONLY RANK SCHOOLS ON THE APPLICATION FORM THAT APPEAR ON THESE PAGES.
- Please note that some schools with scheduled facility moves have not yet relocated to their 2015-2016 location. Reach out to schools directly for current contact information.

If you're interested in applying to a selective admissions school, make sure you apply by the early deadline.

**Early Window**
Must apply by Dec. 16

- **Letter Grade**
- **SPS Score**
- **Wheelchair Accessible**
- **Geographic Zone**
  - See page 2

School Grades are used to tell parents how schools are performing based on statewide testing assessments. For more information on school performance and accountability, see page 5.

**School Performance Scores and Letter Grades**

It's a good idea to contact your preferred schools for more information about bus service, including designated stops and pick up times. Most schools are required to provide free transportation to students who live further than 1 mile away from the school.

**CODE: 502**

- **Akili Academy of New Orleans**
  - Operator: Crescent City Schools (RSD)
  - Program Highlight: College-Prep, Daily Afterschool Tutoring & Enrichment Programs
  - Grades served: K-8
  - Projected Seat Availability: K, 6, 8
  - Address: 3811 North Galvez St., 70117

**CODE: 604**

- **ARISE Academy**
  - Operator: ARISE Schools (RSD)
  - Program Highlight: CCSS Aligned Curriculum, Athletics, Art, After-school, Technology, ELA / Math Interventions
  - Grades served: K-8
  - Most K-8 schools offer priority placement to students living in the geographic zone, for up to 50% of available seats. Find out more on page 2.

**CODE: 101**

- **Andrew H. Wilson Charter School**
  - Operator: Inspired Public Schools (RSD)
  - Program Highlight: Accelerated Studies, Enrichment Programs
  - Grades served: PK-8
  - Address: 3819 St. Claude Ave., 70117

Contact your preferred schools to learn more about what they offer: whether they offer before/after care, have clubs and sports, and more. For a full list of participating high schools’ LHSAA athletic programs, see page 25.
Participating Schools
Public Elementary School (Grades K-8)

IMPORTANT SCHOOL PERFORMANCE NOTICE:

- Please note that some schools have scheduled facility moves reflected in the information below, but may be in a different location this school year. Reach out to schools directly if you would like to schedule a tour or visit.
- Schools with the "Geographic Zone" icon highlighted next to their profile offer geographic priority to students residing in their catchment zone. Unless stated otherwise, this priority is granted for half (50%) of all available seats. If a school grants geographic priority for a higher percentage of available seats, that percentage will be published in the school's "priority" information.
- Do not submit a OneApp if you would like your child to return to his / her current school. If you submit a OneApp and your child is assigned to one of your choices, your child will lose his / her current seat.

How to Read High School Profile Pages

A complete list of participating schools is provided on pages 11-29 of this packet.

Please note that you can only apply to one school at a time. If you’re interested in applying to a selective admissions school, make sure you apply by the early deadline.

Louisiana High School Athletic Association (LHSAA) is the official sanctioning body for high school sports teams. Schools with this icon offer some, not necessarily all, LHSAA sports. Schools without this icon do not offer LHSAA sports, but may still have athletic programs available on campus.

For a full list of LHSAA sports teams and other important notes for students who would like to play LHSAA sports, see page 25.

School Performance Scores and Letter Grades are used to tell parents how schools are performing based on state-wide testing assessments. For more information on school performance and accountability, see page 5.

It’s a good idea to contact your preferred schools for more information about bus service, including designated stops and pick up times. Most schools are required to provide free transportation to students who live further than 1 mile away from the school.

Schedule type is very important for high school students. Transferring between different schedule types, i.e.: from "block" to "7-period," may impact your student’s credits and his or her ability to graduate on time.

Contact your preferred schools to learn more about what they offer: whether they offer before/after care, have clubs and sports, and more. For a full list of participating high schools’ LHSAA athletic programs, see page 25.

### Algiers Technology Academy

- **Operator:** Algiers Charter Schools Association (RSD)
- **Program Highlight:** IC3 Cert., Coding, Graphic Design, Music/Video Prod., Dual Enrollment, Credit Recovery
- **Grades served:** 9-12
- **Projected Seat Availability:** 9, 10, 11, 12

### CA: G.W. Carver Collegiate Academy

- **Code:** 103

- **CA: Sci Academy**

- **Code:** 514

Contact your preferred schools to learn more about what they offer: whether they offer before/after care, have clubs and sports, and more. For a full list of participating high schools’ LHSAA athletic programs, see page 25.
## Participating Schools

Public Elementary School (Grades K-8)

Here are some important notes about participating in LHSAA athletics at OneApp schools:

1. Students who participate in LHSAA athletic programs and who transfer to another school, either through OneApp or through another enrollment procedure, may **lose their ability to play sports for up to a full calendar year**. Please consider this when electing to transfer your student athlete.

2. Schools may offer non-LHSAA athletics for attending students. Contact your preferred schools to find out more about the special clubs and programs they offer.

### Boys’ Sports

*As reported by the Louisiana High School Athletics Association.*

Schools with this icon next to their school profile (pages 27-35) offer some, but not necessarily all, LHSAA sports*.

Schools without this icon do not offer LHSAA sports, but may still have athletic programs available on campus. Contact the school to learn more.
Jump Start

Jump Start is a state-wide program enabling high school students to earn industry-valued credentials alongside their high school graduation requirements. Students completing Jump Start coursework will graduate with the skills needed to secure high-wage jobs and/or attend a rigorous post-secondary education program. Any student can earn Jump Start industry credentials.

During the 2017-2018 school year, the following high schools in New Orleans will support Jump Start pathways:

Students in most New Orleans high schools will have the opportunity to complete career readiness courses that help them master workplace behavioral and communication skills, while completing workplace internships and/or “virtual workplace experiences,” through Jump Start programs.

To learn more about Jump Start and what it means for graduation and beyond, please contact your preferred high school(s) or go to the Department of Education’s All Things Jump Start web portal: http://www.louisianabelieves.com/courses/all-things-jump-start.
### Participating Schools

#### Public High School (Grades 9-12)

**IMPORTANT SCHOOL PERFORMANCE NOTICE:**

- Listed below for each high school is the type of class schedule that students follow. **Transferring between different schedule types, i.e.: from “block” to “7-period,” may impact your student’s credits and his or her ability to graduate on time.** Consult with your student’s school counselor and the counselor at your intended school to ensure your student remains on track to graduate on time.

- Please note that some schools have scheduled facility moves reflected in the information below, but may be in a different location this school year. Reach out to schools directly if you would like to schedule a tour or visit.

- Students who participate in LHSAA athletic programs and who transfer to another school, either through OneApp or through another enrollment process, may **lose their ability to play sports for up to a full calendar year.** Please consider this when electing to transfer your student athlete.

- **Do not submit a OneApp if you would like your child to return to his / her current school.** If you submit a OneApp and your child is assigned to one of your choices, your child will lose his / her current seat.

#### Early Window
*Must apply by Dec. 16*

What are alternative high schools?

The schools listed below are alternative high schools. This means they serve a unique student population, offer a non-traditional high school experience, and give students the opportunity to earn credits and attend classes based on their individual needs. To learn more about alternative high schools, please contact these schools’ staff for more information or to schedule a school tour.

### JCFA Algiers
- **Operator:** JCFA (BESE)
- **Program Highlight:** JCFA offers a year-round flexible learning environment to earn a high school diploma

- **Grade(s) 9-12:**
  - **Eligibility:** New Orleans Residents
  - **Priority:** (1) Siblings, (2) then All other applicants

---

**New in 2017!**
An important note about this year’s participating Scholarship schools:

The list of participating Scholarship schools on the following pages includes schools that have submitted a notice of intent to the Louisiana Department of Education (LDE) to accept new Scholarship students for the 2017-2018 school year. As school performance results become available, the LDE will review the list of Scholarship schools and may determine that some are no longer eligible to accept new students. If you apply to a Scholarship school that is deemed ineligible, your student will not be placed there.

The most current list of participating schools will be available online at EnrollNOLA.org. A final list of participating Scholarship schools will be available by the week of January 16. Families are strongly encouraged to confirm that their preferred schools are accepting new students by checking EnrollNOLA.org. If at any time you would like to update your school choices before the application deadline of February 24, 2017, please visit EnrollNOLA.org or a Family Resource Center (page 3). The most recent application submitted will be the only application considered during student placement. Please note that you will be unable to make changes to your application after the application deadline.

Do not submit a OneApp if you would like your child to return to his / her current Scholarship school. If you submit a OneApp and your child is assigned to one of your choices, your child will lose his / her current seat; if you are assigned to a public school choice, you will lose your Scholarship.

Eligibility and Priority information is the same for all Scholarship applicants:

**Eligibility:** For eligibility requirements for Scholarship applicants, please refer to page 9.

**Priority:** (1) Current NSECD students, if applicable, (2) then Siblings, (3) then Current Scholarship students who are in a transitional grade, (4) then Applicants residing in Orleans Parish, if applicable (5) then Applicants attending a D, F, or T school, (6) then Applicants attending a C school, (7) then Applicants seeking to transfer from one Scholarship school to another, (8) then All other applicants.
