Seat Availability Report

Seat Availability valid as of:

6/13/2017 – 7:00 AM

The availability included in this report is based on student enrollment as of the time the report was posted and is subject to change. There is no guarantee that the seat availability indicated in this report will be the same when you arrive at the Family Resource Center. Head Start and Early Head Start programs are enrolled based on a family needs assessment. All other programs are enrolled on a first-come, first-served basis.

For Schools with Seats: “Limited Availability” indicates that fewer than 10 seats were available in the stated grade as of the time the report was posted. “Availability” indicates that 10 or more seats were available as of the time the report was posted. Please check carefully to make sure you are viewing your child’s correct grade in the report, as availability in one grade does NOT indicate that there is availability in other grades

For Schools with Waitlists: “Short Waitlist” indicates that fewer than 25 students were on the waitlist at the time that the report was posted. “Moderate Waitlist” indicates that between 25 and 50 students were on the waitlist at the time that the report was posted. “Long Waitlist” indicates that more than 50 students were on the waitlist at the time that the report was posted. Please check carefully to make sure you are viewing your child’s correct grade in the report, as availability in one grade does NOT indicate that there is availability in other grades
