enroll NOLA SCHOOL GUIDE

SPRING 2018 EDITION
KEY DATES 2019 - 2020

More than 90% of public schools follow a single application timeline, through OneApp; others provide their own application. Check your preferred schools’ profiles for more information about admissions deadlines and requirements.

### JANUARY
- **MID JAN**
  - OneApp Main Round early deadline (selective schools)
- **MID JAN**
  - Some non-OneApp school applications due

### FEBRUARY
- **EARLY FEB**
  - Urban League Schools Expo at the Superdome
- **LATE FEB**
  - OneApp Main Round application deadline

### MARCH
- **MONTH OF MARCH**
  - OneApp Main Round processing and lottery: results early April

### APRIL
- **EARLY APR**
  - OneApp Main Round notification of assignments
- **EARLY APR**
  - Some non-OneApp schools’ notification of assignments
- **MID APR**
  - OneApp Round 2 opens

### MAY
- **EARLY MAY**
  - OneApp Round 2 early deadline (selective schools)
- **LATE MAY**
  - OneApp Round 2 standard deadline

### JUNE
- **LATE JUNE**
  - Notification of OneApp Round 2 assignments

### JULY
- **EARLY JULY**
  - Late Enrollment begins

### AUGUST
- **SCHOOL YEAR BEGINS** (schools start dates vary)

### SEPTEMBER
- **OCTOBER**
  - **EARLY OCT**
    - Late Enrollment ends
  - **EARLY OCT**
    - GNOCCS application opens

### NOVEMBER
- **EARLY NOV**
  - OneApp Main Round opens

### DECEMBER
- **EARLY OCT**
  - Late Enrollment ends

Every school requires families to provide documentation in order to register. Required documents for K-12 enrollment may include proof of residency in Orleans Parish* (rental lease, light bill, etc.), proof of identity** (student birth certificate, parent/guardian driver’s license), and immunization records. If your child has an Individualized Education Program (IEP) Plan or 504 Plan, these documents can help your child’s new school understand your child’s needs. A public school cannot turn your child away for failure to produce non-required documents.

*Type 2 charter schools accept students who reside in any parish in Louisiana. Check school application details for more information.

**Schools cannot require a Social Security Card.
ACKNOWLEDGMENTS

THANK YOU

To school leaders, for providing comprehensive information about their school.
To community organizations, for helping distribute and orient families to this guide.
To Abbey Printing, for their continued partnership and tireless, meticulous production work.
To parents, grandparents, advocates, and guardians, for the honest feedback they have provided, which has shaped and will continue to shape the content of this guide.

The EnrollNOLA School Guide is published by the Recovery School District and Orleans Parish School Board. All information contained herein was verified directly with schools and/or the Louisiana Department of Education. This information is subject to change. Errors and omissions can be reported by email to oneapp@enrollnola.org. Once verified, corrections will be made to the updated version available on the website (www.EnrollNOLA.org).

INTRODUCTION

The second edition of the EnrollNOLA School Guide follows in the tradition of The New Orleans Parents’ Guide, which for ten years provided information about every public school in New Orleans, as well as helpful tools for evaluating schools and making informed school choices. We are incredibly thankful for the input of community organizations, parents, and educators, which has helped us create tools and resources to assist families in evaluating their school choices.

In New Orleans, families can apply to attend any public school in the city. We created this guide to help parents understand the New Orleans system of public schools and find the best schools for their children. While we worked hard to make sure that the information included in this guide is correct, we encourage all families and community members to help supplement the information in this guide by calling or visiting schools for the most current information, and by alerting our team to potential omissions or errors published here. Some questions to ask and things to look for when visiting a school can be found on page 14.

We hope you find this guide helpful in understanding your public school options. If you need additional assistance, please know that our team is here to help. Contact information for EnrollNOLA’s Family Resource Centers is listed below.

¿Necesitas información sobre la escuela en español?

Para familias que hablan español, el Recovery School District y Orleans Parish School Board tienen empleados que hablan su idioma y pueden hablar de sus opciones de escuelas en Español. Usted puede llamar a la EnrollNOLA al 877-343-4773 para ayuda en español.

Quy phụ-huynh có cần biết thêm chi tiết bằng tiếng Việt không?

Ban Phục-hồi Khu Học Chánh (RSD) và ban Quản Lý Trường học quận Orleans (OPSB) có nhân viên nói tiếng Việt làm việc với những gia đình người Việt. Xin quy-vì gọi ban RSD ở số 877-343-4773 để được giúp đỡ bằng tiếng Việt.

In New Orleans, the majority of our schools are charter schools. Charter schools are public schools that are
governed by independent non-profit school boards. Like all public schools, charter schools must be free and must
serve all assigned students. Most charter schools are open to any Orleans Parish student, but some may have
selective criteria such as a foreign language assessment. On each school’s page in this book, the “Requirements”
field in the “How to Enroll” section explains how students are admitted.

Each school has an “authorizer,” which is the entity that has authorized the school to operate, and is responsible
for holding the school accountable for upholding its policies, and serving families well and fairly. The Board of
Elementary and Secondary Education (BESE) authorizes Type II charter schools, while the Orleans Parish School
Board (OPSB) authorizes public schools in the Orleans Parish School Board District.

Charter schools must show improvement or consistently acceptable academic performance, as measured by
student test scores, in order to remain open. Once a charter school’s contract expires, either BESE or OPSB
determines whether to renew the schools’ contract based on school performance. Schools must meet an acceptable
level of performance to continue to have the privilege of serving families, thereby helping maintain a high quality
school system.

LOUISIANA SCHOLARSHIP PROGRAM

The Louisiana Scholarship Program offers scholarships to eligible students to attend a participating nonpublic
school. To be eligible, families must have an income that does not exceed 250% of the federal poverty line, and
must either be entering kindergarten, or enrolled in a school with a C, D, F, or T grade. For more information, visit
EnrollNOLA.org.

ENROLLNOLA SCHOOL GUIDE

APPLYING TO SCHOOL

FINDING A GOOD SCHOOL FIT

Before you apply, research your options and narrow your list of choices to schools you know can meet your child’s academic, emotional, and social needs. Try thinking through your school choices using these five steps:

1) What does your child like about school? Academics, sports, music? How would the ideal school provide these things?
2) What about practical matters? Do you want your child at a school close to home? How will you get to and from school?
3) Research your school options to find schools that fit. The EnrollNOLA School Guide is a good place to start.
4) Visit your favorite schools. See how schools look and feel, and speak with leaders, teachers, and families.
5) Narrow down your list. But only after you’ve asked yourself what you need, researched options, and visited schools!

Research school programs by reviewing the profiles in this guide, which includes all public schools in New Orleans.

APPLICATION PROCESSES

Over 90% of New Orleans public schools participate in OneApp, a centralized, online school application. K-12 families may apply to up to 12 schools on their OneApp. Applicants are matched to a chosen school through a lottery. OneApp Timeline:

<table>
<thead>
<tr>
<th>Early Nov</th>
<th>Main Round Launch</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>The primary application window is called the Main Round. Students entering or transferring New Orleans public schools should apply in the Main Round.</td>
</tr>
<tr>
<td>Mid Jan</td>
<td>Early Deadline</td>
</tr>
<tr>
<td>Late Feb</td>
<td>Standard Deadline</td>
</tr>
<tr>
<td>Early April</td>
<td>Main Round Results</td>
</tr>
<tr>
<td></td>
<td>All OneApp applications are due!</td>
</tr>
<tr>
<td></td>
<td>Application results will be available online at oneapp.force.com.</td>
</tr>
</tbody>
</table>

Apply on EnrollNOLA.org. Families who need assistance may visit any of our three Family Resource Centers. Family Resource Center hours and locations can be found on EnrollNOLA.org. Email OneApp@EnrollNOLA.org for assistance.

If you’re interested in non-OneApp participating schools, contact those schools directly to confirm the application process, requirements, and deadlines. Most non-participating schools have a mid-January admissions deadline. Each school uses its own criteria and procedures to enroll applicants.

FREQUENTLY ASKED QUESTIONS

WILL ALL MY CHILDREN BE ABLE TO ATTEND SCHOOL TOGETHER?

For OneApp schools, if a student applies to attend a school their sibling will attend for the upcoming year, that student will receive sibling priority during the placement process.

Family Link helps keep siblings together when they apply to change or enter schools at the same time. If a parent submits a OneApp for each child listing the same choices in the same order, the students will be family-linked. OneApp will prioritize assigning the students to the same school if possible.

For non-OneApp schools, each school determines its own sibling policy. Most schools give sibling priority but you should check with individual schools for details. Family link does not exist for non-OneApp schools.
**HOW IS MY ADDRESS CONSIDERED FOR SCHOOL ENROLLMENT?**
Most public schools in New Orleans do not enroll based on student address. Instead, students from all over the city may apply to attend the school of their choice. Most schools prioritize enrollment of applicants who live close to the school. For OneApp schools, this is called “geographic priority.”

**HOW ARE STUDENTS WITH SPECIAL NEEDS CONSIDERED?**
If your child has a physical, behavioral, or learning exceptionality, you and your child have protections under federal and state law, such as the Individuals with Disabilities Educational Act (IDEA), Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA). **Public schools cannot turn your child away because of a disability.**

- **Recovery School District** does not consider a student’s disability when assigning students. Students with disabilities and English Language Learners may apply to any participating school they are eligible to attend.

- **Orleans Parish School Board** reserves the right to assign a student with disabilities to a school site other than the school chosen by the parent. The reassignment will consider parent preference, and parent and student rights.

- **Louisiana Scholarship Program** does not consider a student’s disability when assigning students. Some nonpublic schools do NOT offer special education services. Contact desired school(s) to confirm they meet your child’s needs.

**HOW MANY SCHOOLS SHOULD I APPLY TO?**
The number of schools you should apply to depends on your family's circumstances. Always apply during the Main Round for OneApp schools. Research your school options and select as many schools as meet your child’s needs.

*Here are three common scenarios that may help you determine how many schools to apply to:*

**NEW STUDENT:**
Student is not enrolled in public school OR does not have a spot for next year.

*EX: student entering kindergarten or 9th grade.*

**How many schools should I apply to?**
We recommend listing 12 schools on your OneApp if you do not have a school for the upcoming year.

*Remember that listing more choices on your OneApp does not hurt your chances of being assigned to your top choices.*

**CURRENT STUDENT:**
Student is enrolled in a public school and could return next year.

*EX: 1st grade student who will move to 2nd grade at a K-8 school.*

**How many schools should I apply to?**
Only apply to schools you prefer MORE than your current school.

*If your child is assigned to a school you select on your OneApp, your child will lose their seat at their current school. Only apply if you are sure you want to transfer.*

**NON-PUBLIC SCHOOLS:**
Student is considering enrolling in a nonpublic school, but interested in some public schools.

*EX: family who has a couple public school choices, but may ultimately enroll in private school.*

**How many schools should I apply to?**
You should apply only to the public schools you are truly interested in attending.

*Remember that listing more choices on your OneApp does not hurt your chances of being assigned to your top public school choices.*
AKILI ACADEMY OF NEW ORLEANS
Grades Served PK4 - 8 | www.akiliacademy.org/ | (504) 355-4172
3811 North Galvez St, 70117

Akili Academy of New Orleans prepares scholars to excel in rigorous high schools, to succeed in college, and to strengthen their community-oriented character.

School Performance Scores

School Performance Scores (SPS) are given to schools by the Louisiana Department of Education, based on things like student test results, high school credits earned, and high school graduation rates.

![Graph showing School Performance Scores](image)

SPS can be used to determine how well a school is preparing its students in core subjects, and whether the school is meeting expected progress benchmarks. A school that has a low score for several years without improvement may be closed or taken over by a different operator. Schools that were taken over by a new operator, such as another charter management organization, are given a letter grade of “T” in their first two years under new management, to account for this transition.

LEAP Test Results: *

The student body’s overall performance of the Louisiana Educational Assessment Program (LEAP).

LEAP Test

The Louisiana Assessment of Educational Progress (LEAP) is given to 4th and 8th graders. Students can earn a score of Unsatisfactory, Approaching Basic, Basic, Mastery, or Advanced, in math, English language arts, science, and social studies. Our graphs show the percent of students at each performance level when they took the tests in the spring.

Student Stability

Student stability shows the percent of continuing students who chose to return to the school for another year. Students leave schools for many reasons, such as to attend a different public or non-public school, or to move to another city. Student stability is calculated based on each school’s official October 1 enrollment record.

![Graph showing Student Stability](image)
**Student Demographics**

The student body race chart shows each school’s demographic makeup. Schools report how many students are enrolled, their ethnicity, how many have special learning needs, and how many are part of low-income families.

**Class Size & Student-Teacher Ratio**

Each school’s profile includes information about its teachers, class sizes, and student-teacher ratio. This data refer to the last full school year, and does not include staff members such as administrators, teaching assistants, or those who serve other roles at a school.

Student-teacher ratio is calculated by dividing the total number of students by the total number of full and part-time teachers. This number is an average and is not the same as class size. Some schools have more than one teacher per classroom, so may have larger class sizes, but lower student-teacher ratios.

**Teacher Demographics & Experience**

The teacher demographics and experience section for each school shows the demographic make up of the teaching staff. Schools report how many teachers are employed, their ethnicity, and their years of experience.

**Discipline Outcomes**

The discipline outcome table shows the percent of students who were suspended or expelled during the school year. A single student suspended multiple times would only be counted once. Any school that suspended or expelled fewer than 10 students was given an N/R.
City-Wide School Performance
The School Performance Score is calculated each year based on how students perform on certain standardized tests.

Grades Served PK4 - 8 | www.akiliacademy.org/ | (504) 355-4172
3811 North Galvez St, 70117

Akili Academy of New Orleans prepares scholars to excel in rigorous high schools, to succeed in college, and to strengthen their community-oriented character.

KEY INFORMATION
Principal: Allison Lowe
Hours: 8:30 AM-4:30 PM

Bus Service: Yellow Bus- For Qualifying Orleans Parish Students
Uniforms: Mandatory | Average cost $40 - $49

STUDENT PROGRAMS AND SUPPORTS
Academic Support: Features & Programs: College-prep, daily academic interventions, enrichment | Tutoring: RTI during school day | Weekend Classes: None | Extended Year: Not Applicable
Language Instruction: No foreign language instruction
Special Needs Model: Services provided in regular education classroom (inclusion) and in pullout/resource setting based on student needs; gifted and talented services offered
Limited English Model: ESL services provided as needed; Multilingual faculty, staff and administrators; Small-group ESL services; Individualized plans and support.

Student Support Staff: Full-time staff: 504 Coordinator; Academic Interventionist(s); Behavior Interventionist(s); Clinical Psychologist; Dean(s) Of Students; Guidance Counselor(s); Mental Health Counselor(s); Nurse(s); Psychologist; Social Worker(s); SPED Coordinator; Speech Pathologist; Student Teacher Mentors | Part-time staff: Intern Social Worker(s); Mental Health Counselor(s)

Before/After Care: None available

SCHOOL CULTURE AND EXTRACURRICULARS
Family Involvement: Parent Organization meets the 1st Thursday of every month and helps plan school and community events. | Student Council in Grades 6-8

Behavior Model: Bullying prevention; Character education / personal responsibility; Conflict resolution; Holistic discipline; Incentives and rewards system; Logical consequences system; Parent-teacher conferences; Positive behavior intervention and support (PBIS); Positive environment, community and relationship building; Response to Intervention (RTI); Responsive Classroom model; Restorative practices; Social / emotional intelligence

Extracurriculars: Enrichment program includes visual, dramatic and performing arts as well as drumline, one-to-one differentiated instruction during personalized learning lab during regular school day.

Sports: CLUB Sports: baseball; basketball; cheerleading; football; outdoor track & field; soccer; step team; volleyball

HOW TO ENROLL FOR 2019-2020
Application Process: OneApp process
Deadline: February 22, 2019
Requirements: Open enrollment, no academic entrance requirements.

At KIPP Believe, we empower our young scholars with academic knowledge and community support, while cultivating strong character and values. Our scholars gain tools to advocate for themselves, friends, and families, in order to become respectful leaders who ultimately succeed in ending generational poverty within their community. KIPP Believe creates a school environment where all children are safe, successful, and free to take risks in order to become their best selves.

**NIR = fewer than 10 students**
KIPP Renaissance High School prepares students for the rigors of college, without sacrificing a high school experience deeply rooted in the fabric of New Orleans, where they can create numerous happy memories. We aim to prove that these dual intentions are not mutually exclusive for our students. This is a place where kids want to learn, parents want to send their kids, teachers want to teach, and leaders want to lead.

NEW HARMONY HIGH

Grades Served 9 (building to 12th grade) | newharmonyhigh.org | (504) 444-9404

5400 Douglas St., 70117

New Harmony High focuses on coastal restoration and preservation. We will prepare students for graduation, college, career and beyond through project based curriculum responding to the essential question: how will we thrive in Louisiana today and in the future? We will engage in communities through internships, participate in learning exhibitions, create autobiographies, and maintain portfolios to show long-term growth. We will be stewards for Louisiana’s future.

NIR = fewer than 10 students
Our Mission is to cultivate a strength based educational environment that instills pro-social life skills for academic and career success.

Non-traditional high schools are schools designed to meet the needs of students who may have struggled in a traditional high school setting, be seeking vocational training, need a flexible schedule, or have fallen significantly behind in traditional age or grade requirements for high school graduation.

These schools may have smaller classes, more individualized attention, and intensive academic and behavioral supports, as well as opportunities for technical certifications, apprenticeships, or internships not available at most high schools. However, they may not have other features of a traditional high school, such as team sports or marching bands.

Because alternative high schools are not designed for a traditional high school student, School Performance Scores and Letter Grades do not effectively measure school quality. Therefore, the data metrics included for traditional high schools are excluded for these pages.

These schools participate in the OneApp Application process.
JCFA's mission is to provide a learning environment that allows students to develop their potential; to prepare students for post-secondary education and/or the work force; and to collaborate with community agencies, organizations, and institutions to meet students' needs.

- Application Process: OneApp process
- Deadline: February 22, 2019
- Requirements: Open enrollment, no academic entrance requirements. Open to residents in any Louisiana parish.

Non-traditional high schools are schools designed to meet the needs of students who may have struggled in a traditional high school setting, be seeking vocational training, need a flexible schedule, or have fallen significantly behind in traditional age or grade requirements for high school graduation.

These schools may have smaller classes, more individualized attention, and intensive academic and behavioral supports, as well as opportunities for technical certifications, apprenticeships, or internships not available at most high schools. However, they may not have other features of a traditional high school, such as team sports or marching bands.

Because alternative high schools are not designed for a traditional high school student, School Performance Scores and Letter Grades do not effectively measure school quality. Therefore, the data metrics included for traditional high schools are excluded for these pages.

These schools participate in the OneApp Application process.
ReNEW Accelerated High School (RAHS) has had over 360 students ages 16-21 earn a high school diploma. Students can earn 6 credits per semester to graduate in half the time as a traditional high school. Our smaller, technology-infused classes, access to three career pathways and personalized college counseling ensure individuals can define and achieve their own version of success.

GLOSSARY OF TERMS

ACADEMIC ADMISSION REQUIREMENTS — Selective criteria used by some schools to determine a student’s eligibility, such as foreign language readiness or academic performance.

BEFORE AND AFTERCARE — Services provided to students beyond normal school hours. This time is generally used to provide students with extra study time, arts enrichment, or physical education.

BOARD OF ELEMENTARY AND SECONDARY EDUCATION (BESE) — 11-member state board that sets policy for all Louisiana public schools. 8 members are elected from districts around the state, and 3 members are appointed by the Governor.

CHARTER ORGANIZATION — A non-profit organization governing the operation and performance of a charter school or schools. Charter organizations are led by a board that must hold regular open meetings and provide appropriate notice of meetings.

CHARTER SCHOOL — Public school governed by an independent non-profit school board. Charter schools are free and must serve all assigned students. Most are open to any Orleans Parish student, but some may have selective criteria.

EVALUATION — A process of determining if a child has special learning needs.

GEOGRAPHIC PRIORITY - Students are given the opportunity to go to school close to home if they choose to, while giving fair access to students who would prefer to go to a school farther from home. Geographic priority is determined by “geographic zones,” a way of splitting up the city by area.

INCLUSION/INCLUSIVE EDUCATION PRACTICES — Policy of providing services to students with special learning needs, including gifted students and speakers of languages other than English, in a general classroom setting. The students are included in the regular education program rather than being separated into special education classes.

INDIVIDUALIZED EDUCATION PLAN (IEP) — Plan developed by the parents and teachers of a student with special learning needs, which outlines the student’s program of study and education services needed. Federal special education law (IDEA) requires that all children with disabilities or exceptional talents have an IEP.

INDIVIDUALS WITH DISABILITIES EDUCATION ACT (IDEA) — Federal law that mandates that all youth between the ages of 3 and 21 with disabilities have access to a free, appropriate public education.

LOTTERY — Process of randomly selecting students from a pool of applicants. All charter schools use lotteries if they receive more applications for admission than they have available spaces.

NON-TRADITIONAL SCHOOLS — Schools designed to meet the needs of students who may have struggled in a traditional high school setting, be seeking vocational training, or need a flexible schedule. These schools may have vocational opportunities not available at most schools, but may not have other features of a traditional high school.

OPEN ENROLLMENT — School that does not have selective admissions requirements and is open to all grade-appropriate applicants.

SIBLING PRIORITY - If a student applies to attend a school their sibling will attend for the upcoming year, that student will receive sibling priority during the placement process.
