

KARR | METRICS OF PERFORMANCE

Class Size & Student-Teacher Ratio 2015-16

These tables show how large the class sizes are at a school, and how many teachers there are per student, on average. See page 16 for more information.

Class Size	% classes at Karr
1-20 students	39%
21-26 students	18%
27-33 students	40%
34+ students	4%

Student-Teacher Ratio
18 students per 1 teacher

Teacher Demographics 2015-16

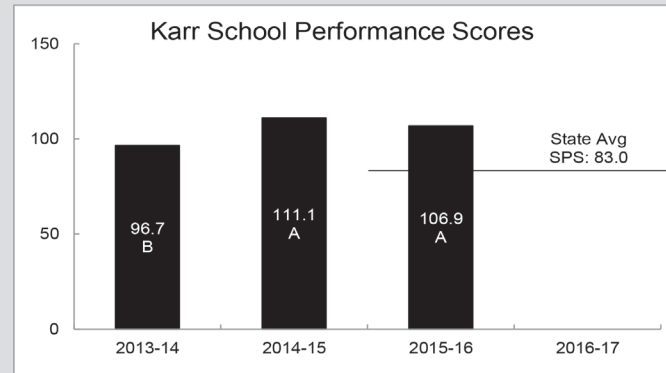

These tables show information about the race and years of experience of the school's teachers.

Race	Karr
Black	49%
White	44%
Hispanic	4%
Other	3%

Experience	Karr
1 to 3 years	31%
4 to 6 years	41%
7 to 10 years	7%
11+ years	21%

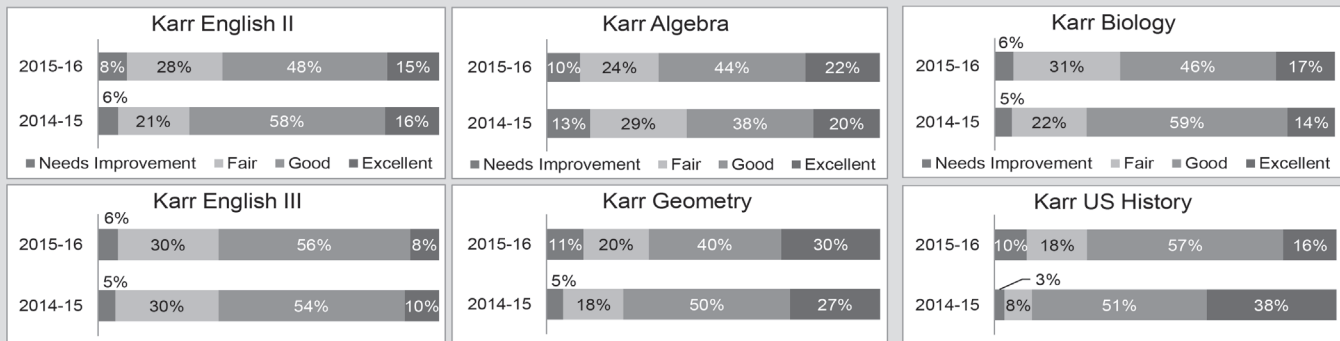

School Performance Score

The SPS is calculated each year based on how students perform on certain standardized tests. See page 17 for more information.

End of Course Tests Results

Shown here is the percent of students scoring at each level on the End of Course (EOC) tests at this school. All students take EOC tests in 6 core subjects and must score Fair or better on at least 3 of the 6 tests to graduate.

ACT Results

The average composite score earned by students at this school on the American College Test (ACT), which measures college readiness in English, reading, math, and science. The highest score is 36.

Average ACT Composite Score	2014-15	2015-16
Karr	19.0	19.0
Louisiana	19.4	19.5
United States	21.0	21.0

Graduation Rate

The percent of students who started the 9th grade, met all graduation requirements in 4 years, and received a high school diploma from this school.

Grad Rate	2013-14	2014-15
Karr	>95%	>95%
Louisiana	73.5%	74.6%

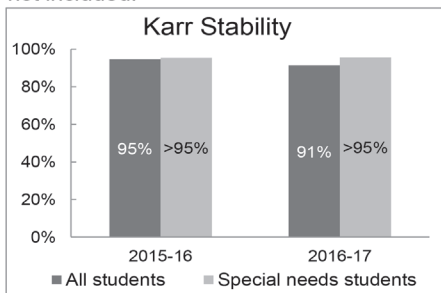

Dropout Rate

The percent of students who dropped out of this school in a single year without completing high school.

Dropout Rate	2013-14	2014-15
Karr	N/R	<1%
Louisiana	4.5%	4.9%

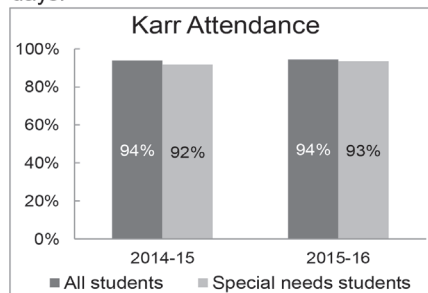

Student Stability

This graph shows the percent of current students who chose to re-enroll the following school year. Students who move on to a grade not offered by this school are not included.

Student Attendance

The average daily attendance of students at this school is calculated by dividing the total number of days students were present by the total number of school days.

Discipline Outcomes

This chart shows the percent of students at this school who were suspended or expelled during each school year. A single student suspended multiple times is only counted once.

N/R = fewer than 10 students

Karr	2014-15	2015-16
Suspensions	17.8%	14.0%
Expulsions	N/R	0.0%
