# What do my OneApp placement results mean?

## Matched

If you have received an assignment to a new school for the upcoming year, you must register at your assigned school by June 14, 2019 (May 24 for Scholarship schools).

## DOCUMENTS REQUIRED AT REGISTRATION

- Birth certificate
- Immunization records
- Parent or Guardian photo identification
- Proof of residency (utility bill, rental lease agreement / mortgage, property tax notice, etc.) Please note that more than one proof of residency may be required.
- IEP / 504 plan (if applicable)
- Medicaid card, if applicable (*Early Childhood*)

Current and timely proof of residency in Orleans Parish is required. Inability to provide requested proof of residency may result in the loss of your child's placement.

Please note that you may be required to re-submit additional documents at the time of registration.

## Reassigned to Current School

You weren't matched to a school in the Main Round because your school choices received more applications than they could accept. To have the best chance of getting into a school of your choice in Round 2, please consider additional school choices that still have open seats.

or

Seat availability will be listed on EnrollNOLA.org. Round 2 applications open April 29, 2019 and are due May 31, 2019. The deadline for schools that participate in the Early Window is May 17.

## No Placement

Applications may be submitted online at [www.EnrollNOLA.org](http://www.EnrollNOLA.org). Please note that only public school options participate in Round 2.

## Added to Waitlists
