New Orleans Charter Science and Math High School (Sci High)	583	100%

* Number of new applicants: Total number of new applicants that listed the school on their OneApp for that particular grade.

** Eligible match rate: Percentage of eligible new applicants that were assigned to the school for that grade. Match rate only includes students that OneApp attempted to assign. OneApp does not attempt to assign students that are ineligible or have already been matched to a higher-ranked choice.
